EPA Reg. No. 62719-542

Personal Protective Equipment for Non-WPS Users

ATTENTION

- Read and follow all other precautions and limitations imposed by the label affixed to the product container for Dimension 2EW specialty herbicide before applying.

Use Directions

On May 31, 2010, EPA requested DowAgroSciences LLC to submit revised labeling for Dimension 2EW specialty herbicide to include additional personal protective equipment (PPE) for non-WPS users, including use by professional lawn care operators. Dow AgroSciences is submitting the revised labeling for acceptance. In the interim, non-WPS users, including professional lawn care operators, should wear the following PPE when applying the product according to label directions: long-sleeved shirt and long pants; chemical-resistant gloves \geq 14 mils such as barrier laminate or butyl rubber; shoes plus socks
