

ANGER

KEEP OUT OF REACH OF CHILDREN

GENERAL INFORMATION

eNdual is a combination of two proven nitrogen additives for below and above ground enhancement of nitrogen from urea-ammonium nitrate (UAN) and urea fertilizers. eNdual contains NBPT to minimize loss of nitrogen due to volatility from urea and DCD to minimize loss of nitrogen due to nitrification. eNdual keeps more nitrogen in the soil, available to the crop, and in a more desirable form for improved use of the nitrogen applied to your crop.

PRECAUTIONARY STATEMENTS

Read label before use. Wear protective face and eyewear, clothing and gloves. If medical advice is needed, have product container or label at hand. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash skin thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Do not handle until all safety precautions have been read and understood. See Safety Data Sheet for further details regarding safe use of this product.

DIRECTIONS FOR USE

eNdual use rates are based on average soil conditions. Rates may be adjusted based on field conditions.

USE RATE PER TON FERTILIZER

Urea	1 to 3 quarts per ton
UAN	1 to 3 quarts per ton

UAN APPLICATION

eNdual can be blended with UAN in storage tanks or just prior to application. Recirculate UAN in storage tanks prior to use if preblended.

Manufactured for

CAROVAIL

4180 State Rte. 29 • Salem, NY 12865
(518) 854-9785

PRINCIPAL FUNCTIONING AGENTS

Proprietary solvent blend of dicyandiamide (DCD), N-(n-butyl) thiophosphoric triamide (NBPT).

Supplied as a 20% by weight N-(n-butyl)thiophosphoric triamide and 20% by weight dicyandiamide.

UREA APPLICATION

Applicators must wear proper PPE as indicated above. Use a fertilizer blender or other suitable rotary device when blending urea with eNdual. Ensure that all blender surfaces are clean and dry. eNdual must be applied and blended with urea first before blending with other fertilizer. Allow sufficient time to produce a uniformly blended product. Dye is added to eNdual to aid in determining uniformity of application.

STORAGE AND DISPOSAL

Store product locked up in original container in a dry and wellventilated area. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Store product between 32° and 100°F (0° and 38°C). Avoid long-term storage at high temperatures. Product will degrade if stored at temperatures above 100°F.

Do not reuse product containers. Triple rinse (or equivalent) and add rinsate to spray tank. Offer rinsed container for recycling at an ARC site (go to www.acrecycle.org for locations) or by reconditioning or puncture and dispose of in a sanitary landfill or by other procedures approved by local, state, and federal regulations.

FIRST AID

IF SWALLOWED: Drink 8 – 16 ounces of water if conscious. Call a physician or poison control center immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing and immediately call a poison control center or physician.

IF ON SKIN: Wash affected skin with soap and water. Remove contaminated clothing and launder clothing before reuse.

IF INHALED: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen and call a physician.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY The manufacturer or seller makes no other expressed or implied warranty of fitness or merchantability of any other expressed or implied warranty, in no case shall the seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. The manufacturer and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of the manufacturer.
